## **DATA DEFINITIONS**

**Employment Rate 2nd Quarter After Exit** - The participants who are in unsubsidized employment during the second quarter after exit from the program (for Title I Youth, the indicator is the percentage of participants in education or training activities, or in unsubsidized employment during the second quarter after exit).

**Employment Rate 4th Quarter After Exit** - The participants who are in unsubsidized employment during the fourth quarter after exit from the program (for Title I Youth, the indicator is the percentage of participants in education or training activities, or in unsubsidized employment during the fourth quarter after exit).

**Median Earnings 2nd Quarter After Exit** - The median earnings of participants who are in unsubsidized employment during the second quarter after exit from the program.

**Credential Attainment** - The participants enrolled in an education or training program (excluding those in on-the-job training (OJT) and customized training) who attain a recognized postsecondary credential or a secondary school diploma, or its recognized equivalent, during participation in or within one year after exit from the program. A participant who has attained a secondary school diploma or its recognized equivalent is included in the percentage of participants who have attained a secondary school diploma or its recognized equivalent only if the participant also is employed or is enrolled in an education or training program leading to a recognized postsecondary credential within one year after exit from the program.

**Measurable Skills Gain** - The program participants who, during a program year, are in an education or training program that leads to a recognized postsecondary credential or employment and who are achieving measurable skill gains, defined as documented academic, technical,
